NOTICE OF PUBLIC COMMENT AND REVIEW FOR CLEAN WATER STATE REVOLVING FUND
2023 CWSRF PROJECT PRIORITY LIST & INTENDED USE PLAN***

The New Mexico Environment Department (NMED) Construction Programs Bureau (CPB) produces an annual Clean Water State Revolving Fund (CWSRF) Project Priority List (PPL) and Intended Use Plan (IUP). The IUP identifies the proposed intended uses of the funding amounts available to the CWSRF Program including from the Bipartisan Infrastructure Law. The current PPL identifies eligible projects for CWSRF funding from all sources for State Fiscal Year (SFY) 2023.

NMED CPB is accepting public comment from June 5, 2022, through June 18, 2022, regarding:

1) The NMED CWSRF Program's IUP for SFY 2023

2) Projects on the 2023 CWSRF PPL

A copy of the IUP and PPL may be obtained from <https://www.env.nm.gov/funding-opportunities/>; by calling the CPB team at (505) 469-3365; or by e-mailing NMENV-cpbinfo@state.nm.us. Comments or questions regarding the IUP and PPL may be submitted by accessing the NMED comment portal at <https://nmed.commentinput.com/comment/search>.
